We are committed to service

Over five decades, Seven Seas has become a true partner to our customers; a legacy that we are very proud of.

Our ambition is to be the preferred partner in ship supply through superior service and cost efficiency.

Sectors we serve

Our global network of professionals are passionate about delivering the best services to our customers across the different sectors we serve in a cost-effective and efficient way with the mantra 'Anything, Anytime, Anywhere'.

- Merchant vessels
- Cruise
- Offshore
- Navy
- Fishing
- New-building and dry docks

We are committed to delivering exceptional customer service which, combined with a broader products and services portfolio across expanded networks, will create solutions that deliver value to our customers while removing unnecessary costs.

Our services

We are proud to offer an extensive portfolio of integrated maritime solutions that 'Keeps you sailing'.

Ship Supply

We provide supplies of every kind to all types of vessels and offshore locations. From fresh provisions, bonded stores, deck and engine stores, cabin and galley stores, bridge and consumables, to medicines and safety stores.

Logistics Solutions Supplier

At Seven Seas our objective is to offer value-added services to our customers, including handling and delivery of owner's goods, as well as full 3PL services.

SevenSeas Network

Extending our services to other parts of the world, like South America, Africa, Asia and the Caribbean, through one point of contact and personalised service from experienced team members.

Environmentally Sustainable

SevenSeas is ISO 14001 certified and able to report clear KPI performance through the environmental impact reductions achieved. The Seven Seas team is leading by example with several sustainability initiatives, including the installation of solar panel roofing on its warehouses, the decrease of plastic packaging use across the supply chain, the reduction of CO2 emissions, as well as the implementation of day-to-day environmentally-conscious measures.
