SevenSeas

Keeps you sailing

With Seven Seas’ extensive experience, even in, the most challenging and austere environments, our customers can rest assured that we have the necessary infrastructure, systems and team to meet their needs. We can deliver a full scope of stores and consumables in line with industry standards such as IMPA and ISSA guides. Besides great service, we supply all kinds of cabin, deck and engine stores through our global network.

Seven Seas is your reliable global partner in the supply of provisions and stores to catering companies, the offshore industry and all types of ships. We have a global network staffed by highly trained professionals with in-depth

knowledge of local markets. We offer a wide range of fresh, frozen and dry provisions to cater to the diverse preferences and needs while remaining fully compliant with today’s food supply chain and international food safety standards.

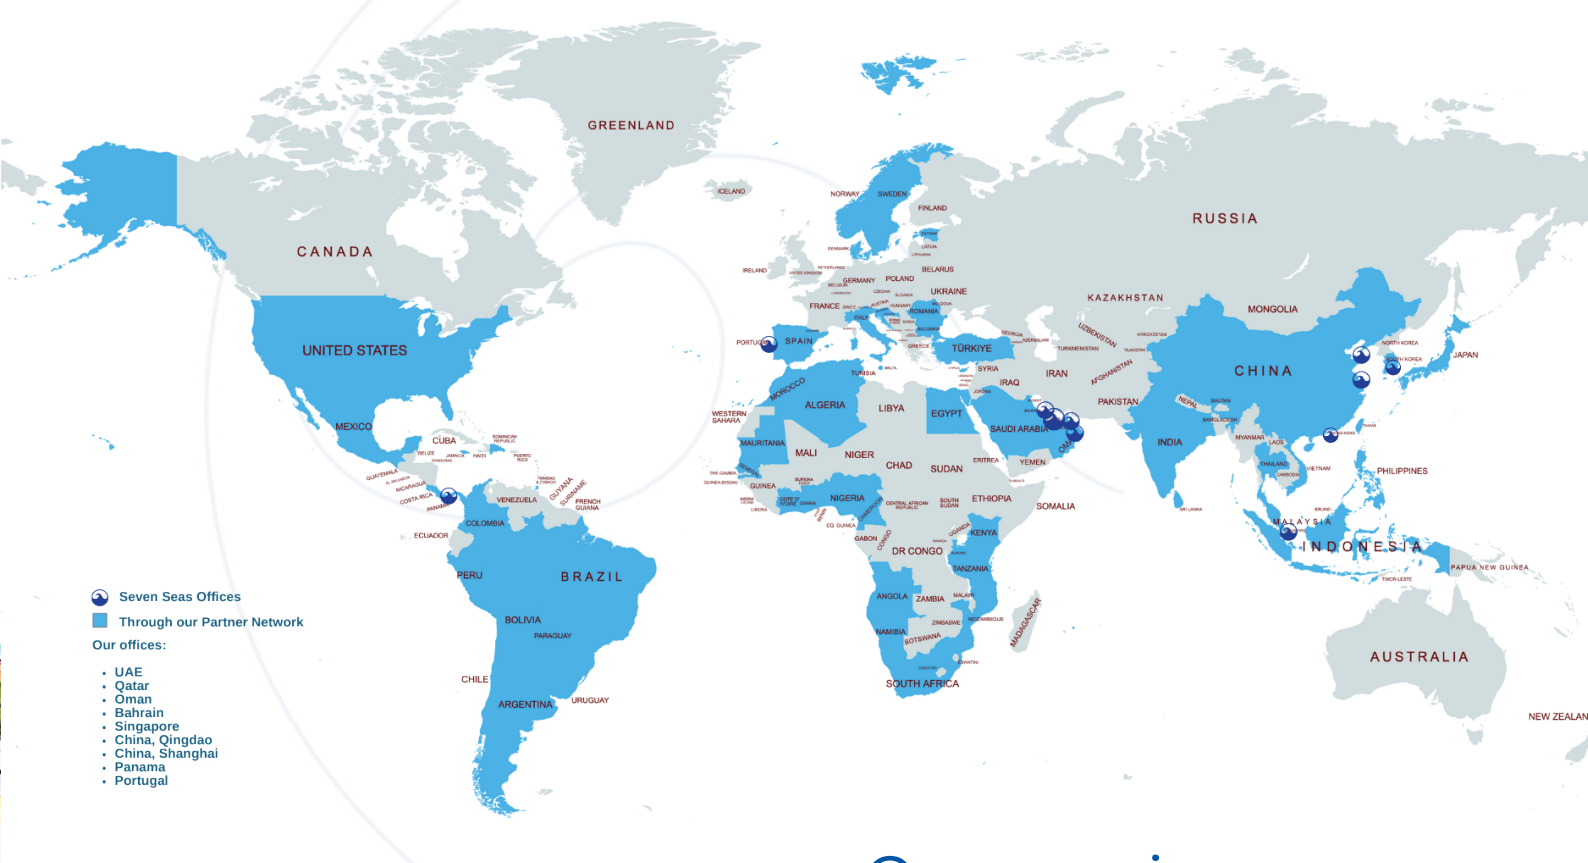

Coupled with our deep understanding of the challenging and dynamic shipping industry, our commitment to excellence has made us one of the preferred suppliers for the world’s most important ship managers and owners, as well as major caterers who use our services worldwide. We are proud to support our clients across the globe, and also in remote and challenging locations.

Sectors we serve

Our global network of professionals are passionate about delivering the best services to our customers across the different sectors we serve in a cost-effective and efficient way with the mantra ‘Anything, Anytime, Anywhere’.

We are committed to delivering exceptional customer service which, combined with a broader products and services portfolio across expanded networks, will create solutions that deliver value to our customers while removing unnecessary costs.

Our services

We are proud to offer an extensive portfolio of integrated maritime solutions that ‘Keeps you sailing’.

Ship Supply

We provide supplies of every kind to all types of vessels and offshore locations. From fresh provisions, bonded stores, deck and engine stores, cabin and galley stores, bridge and consumables, to medicines and safety stores.

Logistics Solutions Supplier

Seven Seas Global Logistics delivers excellence for ship spare parts logistics. We offer solutions for “Door-to-Deck” and “Deck-to-Door” shipments specifically designed for the complexities of the maritime industry. We integrate global freight, customs expertise, last mile deliveries and integrity checks into one streamlined experience. We own the trucks, the warehouses, and the process—no middlemen, no guesswork. Reduce your total cost of ownership and gain full visibility over your fleet’s global supply chain with our web-based track n tracing. Your spares, our mission.

SevenSeas Network

Extending our services to other parts of the world, like South America, Africa, Asia and the Caribbean, through one point of contact and personalised service from experienced team members.

Environmentally Sustainable

SevenSeas is ISO 14001 certified and able to report clear KPI performance through the environmental impact reductions achieved. The Seven Seas team is leading by example with several sustainability initiatives, including the installation of solar panel roofing on its warehouses, the decrease of plastic packaging use across the supply chain, the reduction of CO2 emissions, as well as the implementation of day-to-day environmentally-conscious measures.
