Integrated Maritime Solutions

Founded in 1971, Seven Seas' vision is to be the preferred partner in ship supply. Through its specialised brands, Seven Seas Group delivers an integrated portfolio of maritime solutions tailored to the evolving needs of the marine and offshore industries.

Seven Seas is ISO certified and monitors its environmental performance through defined KPIs. Its sustainability initiatives include solar panel installations at warehouse facilities, reduced plastic packaging across the supply chain, lower CO₂ emissions, and environmentally responsible day-to-day operating practices.

We are committed to delivering exceptional customer service which, combined with a broader products and services portfolio across expanded networks, which will create solutions that deliver value to our clients while lowering costs.

Our services

We are proud to offer an extensive portfolio of integrated maritime solutions.

Ship Supply

We provide supplies of every kind to all types of vessels and offshore locations globally. From fresh provisions, bonded stores, deck and engine stores, cabin and galley stores, bridge and consumables, to medicines and safety stores.

Logistics Solutions & 3PL Services

Seven Seas provides value-added logistics and 3PL services, including the handling, consolidation, storage & delivery of owners' goods and ship spare parts. Through Seven Seas Global Logistics, the Group manages global ship spare-parts logistics with end-to-end supply chain control. A dedicated customer portal and integrated partner network provide shipment visibility and reliable door-to-deck delivery.

Seven Seas Network

Extending our services to other parts of the world, like South America, Africa, Asia and the Caribbean, through one point of contact and personalised service from experienced team members.

Personal Protective Equipment

Mundo Gear delivers premium personal protective equipment and customised safety solutions for vessels and offshore operations. Alcona complements this offering with a comprehensive range of PPE and marine safety equipment.
